*Proceedings of the Madras Government, Public Works Department,
16th July 1867.*

No. 396. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 9th July 1867, No. 1,006 :—

I have the honour to forward the accompanying letter from the Superintending Engineer, 7th Division, and to request you will be good enough to submit this

my application to Government, to have the Inspection Reports therein referred to returned to me, as I find it difficult, under the ruling of G. O. of the 10th April 1867, No. 1,117, to know how to conduct the audit of travelling allowances in this Office, I would also wish to explain to Government how I had dealt with those documents as they passed through here, and I require also to submit a respectful remonstrance against Colonel Walker's conduct and language towards myself, as contained in his letter printed with the above G. O.

No. 397. ORDER THEREON, 16th July 1867, No. 2,135.

ESTABLISHMENT, No. 34.

The Government think it unnecessary to revive the discussion of the subject referred to in this letter, which was finally disposed of in the Order of the 10th April 1867, No. 1,117, but they are of opinion that the reflections contained in Colonel Walker's letter of the 29th March last should have been avoided, or couched in less irritating terms. The expression "reprehensible," which occurs in the first line of paragraph 5 of that letter should never be employed by one Officer with reference to another holding relatively the same position.
