*Proceedings of the Madras Government, Public Works Department,
17th July 1867.*

No. 426. Read the following Telegram from Colonel DICKENS, Simla, to Secretary to Government, Public Works Department, Madras, dated 16th July 1867:—

The papers with Madras number eighteen hundred and forty-five, regarding proposed work in Nellore district, do not include the Executive Engineer's reports showing the data on which the project is based with reference to the volume of water to be stored and capacity of supply canals. These are required.

No. 427. ORDER THEREON, 17th July 1867, No. 2,150.

IRRIGATION, No. 26.

Communicated to the Superintending Engineer of the 2nd Division, who will forward with the least possible delay Mr. Smith's reports on the Survapilly project approved of in G. O. No. 1844, dated 20th June 1867, and will furnish the information required by the Government of India, if it is not contained in those reports.
