No. 222. Proceedings of the Board of Revenue, dated 1st July 1867,  
No. 4,059.

Read the following letter from the Acting Collector of Trichinopoly, to the Secretary  
to the Board of Revenue, dated 31st May 1867, No. 132:—

1. In reply to the Board's Proceedings, as per margin, I have the honour  
No. 2,215, dated 8th April 1867. to enclose copy of a letter received  
from the Superintending Engineer, and  
to state that in granting the land the conditions therein mentioned shall be  
attended to.
2. The land bears no survey assessment.

From the Acting Superintending Engineer, 6th Division, to the Collector of Trichinopoly, dated  
Tanjore, 29th May 1867, No. 282.

In reply to your letter of the 30th ultimo, No. 106, I have the honour to inform you that there  
is no objection to the Padoogay referred to being allotted as therein proposed, with the exception,  
however, that instead of twelve yards of land, as stated by Colonel Greenaway, twenty-four yards are  
considered necessary to be reserved along the foot of the north slope of the river embankment.  
On this condition, and also that a strip of three yards in breadth on each side of the supply channel  
of Poodoovitalay, which runs through the Padoogay in question, be retained to furnish earth and  
space for repairs, the piece of land may be granted to the Inamdar of Andanellore.

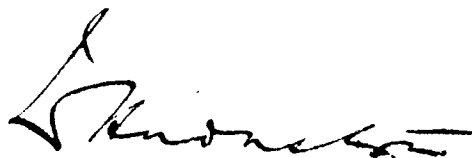

Ordered that the foregoing papers be submitted to Government for their orders.  
It would seem there is no objection to granting the Padoogay land adverted to, to  
the Inamdar in exchange for his land taken up for the Railway. The reserved  
slips will, of course, be retained as the property of Government.

No. 223. ORDER THEREON, 13th July 1867, No. 1,561.

Miscellaneous.

The Government sanction the proposed exchange on  
the conditions stated by the Acting Superintending  
Engineer.
