*Proceedings of the Madras Government, Public Works Department.
20th July 1867.*

No. 492. Read the following letter from the Acting Superintending Engineer, 6th Division, to the Secretary to Government, Department Public Works, dated Tanjore, 13th July 1867, No. 618:—

1. I have the honour to reply to Order of Government No. 2,082 of the 11th instant.

2. Only as lately as the 7th ultimo Captain Vertue expressed some opinion relative to the site for the Jailer's quarters, formed probably under a misconception of the orders on the subject, when his attention was specially drawn to the views expressed by the Inspector General of Jails in the second paragraph of his first letter embodied with G. O. No. 156, of the 17th January 1867, and he was distinctly informed that the quarters should not be placed within the Jail premises. Captain Vertue made no further reference on the subject to this office, and it was only after the perusal of the Order under reply that I, for the first time, became aware that the Jailer's and Deputy Jailer's quarters for the Central Jail at Trichinopoly are about to be built within the Jail enclosure. Captain Vertue will be called upon for an explanation in the matter for the information of Government.

3. It does not appear, however, from the correspondence read in the Proceedings under reply, that any work has been actually commenced towards the erection of the quarters within the Jail, but I will direct Captain Vertue to stop the work (if commenced) forthwith.

No. 493. ORDER THEREON, 20th July 1867, No. 2,182.

CIVIL WORKS, No. 69.

Ordered to lie over pending the receipt of Captain Vertue's explanations.
