Miscellaneous.

1. The question as to the best means of passing the local traffic across the canal will be considered in the Public Works Department. The Government consider that the charge is legitimately to be borne by the Imperial Revenue, but may be for the present provided, if necessary, from the Local Fund, the cost being ultimately repaid to the Fund.

2. The steady increase in the Irrigation revenue, and the extension of the sales of salt from the improved facilities for water carriage into the interior, are gratifying incidents of the year.
