*Proceedings of the Madras Government, Public Works Department,
25th July 1867.*

No. 622. Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 17th July 1867, No. 1,958 :—

1. With reference to Government Order No. 620, dated 28th February 1867, I have the honour to submit for sanction plans and estimates for constructing latrines for the lock-ups at the Justices' Jail, Black Town Rs. 730

Constructing latrines for the Town Police Court, Madras	,, 1,200
Do. do. for the Vepery Police Court ...	,, 960
Do. do. for the Royapettah Police Court ...	,, 1,170
Altering and improving the latrine of, and constructing a dry-earth store for, the lock-up rooms at the Royapettah Police Court	,, 210

Total Rupees 4,270

2. The plan and estimate for a latrine for the lock-up at Vepery, referred to in paragraph 8 of Major Hearn's report embodied in this Order, were submitted, and a sum of Rupees 570, for the erection of the building from this year's Reserve, sanctioned in G. O. No. 1,244, dated 27th April last, and the work has since been completed.

3. The plans have all been approved and prepared in communication with the Sanitary Commissioner, and they allow for the conservancy arrangements under the dry-earth system. Provision is also made in the estimates for urine receptacles in the Town Police Court, the Justices' Jail, the Royapettah Police Court, and Vepery Lock-up. Attention has also been paid to the second paragraph of the Order, directing that separate latrines be provided for females at the Justices' Jail and the Vepery Lock-up.

4. The three latrines attached to the Town, Vepery, and Royapettah Police Courts also provide separate accommodation, with three seats, for Europeans.

5. It will be observed from Major Hearn's report, that the present latrine in use at the Magistrate's Court, Vepery, was to be converted into a dry-earth privy, but the Executive Engineer has forwarded a plan of the building, showing that the alterations will be so extensive, that it will be better to erect at once a new building in its place. I have accordingly submitted a plan and estimate, amounting to Rupees 960.

6. Owing to a revision of the estimates and plans in communication with the Sanitary Commissioner, and to press of work in my Office, where there are a large number of estimates to be checked, I regret that I could not submit these plans and estimates earlier.

7. Government may possibly be in a position to provide funds from the Reserve under the head "Civil Buildings" for these works.

Proceedings of the Madras Government, Public Works Department.
25th July 1867.

No. 623.

ORDER THEREON, 25th July 1867, No. 2,250.

CIVIL WORKS, No. 84.

1. In compliance with the instructions contained in G. O. No. 620 of the 28th February 1867, the Acting Superintending Engineer of the 4th Division submits plans and estimates which have been prepared in communication with the Sanitary Commissioner for the construction of latrines to the undermentioned Police Courts and Lock-ups at Madras:—

	Rs.
1. Town Police Court	1,200
2. Vepery do.	960
3. Royapettah do.	1,170
4. Lock-up rooms at do.	210
5. Do. Justices' Jail	730

Total ... 4,270

2. The Government approve of the estimates, but as the Reserve has been appropriated, the execution of the works must be deferred till funds are available.
