*Proceedings of the Madras Government, Public Works Department,
26th July 1867.*

No. 663. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Department Public Works, dated Masulipatam, 19th July 1867, No. 53 :—

The Controller of Public Works Accounts having disallowed the superior rate of pay of his present grade to Acting Supervisor Sayce, for the interval (twenty-seven days) between his appointment in Proceedings of Government, No. 59, dated 31st May, and the date on which he joined his charge in Nellore, I have the honour to request information as to whether paragraph 33 of the Rules, made applicable to this Presidency in Proceedings of Government, No. 3,946, dated 14th December 1866, does not supersede Rule II, page 543 of Public Works Circular Order Book, as rank is held and appointments are generally made under existing rules, irrespective of the employment on which a member of the department may be engaged.

No. 664. ORDER THEREON, 26th July 1867, No. 2,270.

ESTABLISHMENT, No. 67.

The Order of the 14th December 1866, No. 3,946, has no reference to *subordinates* of the Public Works Department, and as the duties assigned to Supervisors are more important and responsible than those of Talook Overseers, involving as a rule the charge of Ranges, Serjeant Sayce is not entitled to the pay of the Supervisor grade until he relieved Sub-Conductor Hasler.
