the Regimental Hospital at Royapooram, and the estimate was then deferred and a grant made in 1867-68, to the above amount, in G. O. dated 17th May 1867, No. 1,494.

2. A portion of the work consisted in removing the masonry wall between the Hospital and the adjoining premises, and substituting a low breastwork and iron railings to admit of free ventilation. The sum entered in the estimate for this wall amounts to Rupees 1,776-15-9.
