MADRAS RECORD OFFICE.

Government of Madras.

Public works DEPARTMENT.

G.O. No. 2366	Press Mis.
115-16	
Dated 5 . 8 . 1867 .	

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
5th August 1867.*

No. 115. Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Palamcottah, 23rd July 1867, No. 794:—

- 1 Abstract Estimate.
- 1 Plan.
- 1 Report.

1. I have the honor to submit for sanction a plan and estimate of Rs. 700 for building a Range Office at Dindigul, in the 2nd Range, Madura District.

2. The amount of estimate exceeds the limit laid down in G. O. No. 3,525, of the 22nd November 1865, for a second class Office, viz., Rupees 450, but the dimensions of the building proposed are so small, consisting as it does of only one room 15 feet square, that the size cannot be reduced, and the sum of Rupees 450 is quite insufficient.

3. The circumstances of the case too are peculiar, the Range Officer has hitherto held his Office in his private residence, a hired house: but the owner of the house now requires him to vacate, there is no other house in the place which he can rent, and there is no Government building available.

4. The maximum amount allowed for the construction of Range Offices, being in this division at any rate less than that required for a suitable building, I have, on a former occasion, thought it necessary to refuse the application of the Range Officer: but he is now put in that position of difficulty, that he might be driven to the necessity of keeping his Office records and other Government property in a tent or thatched shed. On the further consideration that the Government have not been put to the expense of building Offices in the other Ranges of the Madura District, I trust that the estimate now submitted may be sanctioned, and that a grant of Rupees 700 may be allotted from the Reserve Fund.

No. 116. ORDER THEREON, 5th August 1867, No. 2,366.

CIVIL WORKS, No. 19.

1. Under the circumstances which are brought to notice in this letter, and on the special recommendation of the

Superintending Engineer of the 8th Division, the Governor in Council sanctions the estimate of Rupees 700 for the construction of a Range Office at Dindigul in the Madura District.

2. There are no funds at the disposal of Government for appropriation to the work, but if Captain Prendergast can provide the amount required by transfer, he is authorized to proceed with the erection of the building.

 No 794 Palamcottah 23rd July 1867

From

Captain H. S. Stenderg

Officer Superintending Engineer's Office

To Colonel C. J. Ord St. C.

Secretary to Government S. S. P.

I have the honor to submit for sanction
 a plan and estimate of Rs. 700 for building
 a Range Office at Pindigul in the 2nd
 Range, Madurai District.

The amount of estimate exceeds
 the limit laid down in G.O. No. 3525
 of the 22nd November 1865, for a 2nd Class
 Office Rs. 150; but the dimensions
 of the building proposed are so small,
 consisting as it does of only one room
 15 feet square, that the size cannot be
 reduced, and the sum of Rupees 150
 is quite insufficient.
