*Proceedings of the Madras Government, Public Works Department,  
5th August 1867.*

No. 121. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Department Public Works, dated Camp at Dowlaishweram, 24th July 1867, No. 96 :—

I have the honor to report that Captain Makgill, Executive Engineer, being in charge of Nos. 2 and 6 Ranges of the Godavery, was obliged to rent a house at Rajahmundry for 3 Rupees for the use of the Office of No. 6 Range during the month of June 1867, as there were no public buildings available at that station for the purpose. In previous months the Office was held in some part of the house occupied by that Officer, but as that Officer in last month made his camp in No. 2 Range, it has been found absolutely necessary to rent a private building for No. 6 Range Office. I have, therefore, the honor to request that authority may be granted to the Controller to enable him to pass the Office rent, viz., Rupees 3, for last month.

No. 122. ORDER THEREON, 5th August 1867, No. 2,369.

ACCOUNT, No. 15.

\* Rupees 3.

As a special case, the Controller is authorized to pass the charge\* for Office rent incurred by the Executive Engineer in charge of No. 6 Range of the Godavery District during the month of June 1867.
