*Proceedings of the Madras Government, Public Works Department,
6th August 1867.*

No. 143. Read the following Endorsement of the Consulting Engineer for Railways, dated Madras, 31st July 1867, No. 214:—

Read the following letter from the Agent and Manager of the Madras Railway Company, to the Consulting Engineer for Railways, dated Madras, 30th July 1867, No. 262.

I have the honor to point out, that in the Proceedings of the Madras Government, Public Works Department, dated 20th July 1867, the Advocate General in his letter of the 15th October 1866, to the Secretary to the Government of India, is made to say, in line 8 of paragraph 2, "as the East Indian Railway Company shall from time to time require." It appears to me that it should have been "as the East India Company shall from time to time require."

1. Submitted to Government.
2. The error pointed out by the Agent and Manager is evidently a clerical one.
