Proceedings of the Madras Government, Public Works Department.
7th August 1867.

No. 175. Read the following Proceedings of the Board of Revenue, dated 26th July 1867, No. 4,790.

Read the following letter from the Collector of the Godavery District, to the Secretary to the Board of Revenue, dated Cocanada, 4th July 1867, No. 187:—

1. I have the honor to submit my report on the Public Works executed in this district during the past official year, with a statement shewing the expenditure on those works compared with that of the previous year.

2. The expenditure during 1866-67 under the two general heads of New Works and Repairs amounts to Rupees 3,39,678-14-4, which is above that of 1865-66 by Rupees 27,378-1-11.

3. The following abstract exhibits a comparison between the expenditure of the past official year and that of the year under report.

Items.	Actual expenditure in 1865-66.	Actual expenditure in 1866-67.	Increase or Decrease

Grand Total ..	3,12,301	3,39,679	+ 27,378

4. I proceed to notice, briefly, some of the important works commenced or carried out during the year.

5. The raising of the Godavery anicut is nearly completed, because a sum of Rupees 2,78,178-13-8 has been spent up to the end of the past official year out of the estimated cost of Rupees 3,00,000; when completed, the desired object of securing a larger supply of water in the channels than at present will no doubt be attained, and it will be of much use.

6. The construction of a calingulah to Bayana river, in the Lakkaveram estate, which was under the management of the Court of Wards, is completed, and the lands which were hitherto left waste for want of water will be cultivated hereafter.

7. The very important work of the Iron Screw Pile Bridge at Cocanada having been completed, so far as to be available for foot traffic, it is made use of by the people from the 30th ultimo. The Talook Cutcherry at Ramachendrapur having been completed, the Tahsildar now holds Office in the new building.

Proceedings of the Madras Government, Public Works Department
7th August 1867.

8. The Trunk Road No. VI was repaired from Pangidi to Tuni by laying out a sum of Rupees 8,073-2-2. But the mistake here has been, and is, to endeavour to construct a road such as this, on which there is a heavy traffic, from a maintenance allowance only. The construction of the Central Jail at Rajahmundry is in progress.
