*Proceedings of the Madras Government, Public Works Department,
8th August 1867.*

No. 185. Read the following letter from the Inspector General of Ordnance and Magazines, to the Secretary to Government, Military Department, dated Fort Saint George, 1st August 1867, No. 112:—

1. I have the honor to acknowledge receipt of your docket, No. 2,534, dated 11th July 1867, communicating Proceedings of Government, Public Works Department, No. 1,962, dated 2nd July 1867, relative to the subject of stabling accommodation for Non-Commissioned and Warrant Officers of the Ordnance Department, for whom six blocks of buildings are in course of erection.

2. As the salaries received by the above-mentioned class of Ordnance Officers do not enable them to keep horses or conveyances, it does not, in my opinion, appear necessary that stable accommodation should be provided.

3. I would, however, beg to suggest that in lieu of stable accommodation, provision may be made for a small detached room, which could be used as fowl-house, which would be of the greatest convenience for families, such as those alluded to above, and I venture to solicit that sanction may be accorded for this accommodation.
