*Proceedings of the Madras Government, Public Works Department,
15th August 1867.*

No. 373. Read the following Proceedings of the Board of Revenue, dated 24th July 1867, No. 4,706 :—

Read again Proceedings of the Board, dated 11th June 1867, No. 3,580.

Read also the following letter from the Acting Collector of Vizagapatam, to the Secretary to the Board of Revenue, dated 24th June 1867, No. 425.

1. I have the honor to acknowledge the receipt of the Board's Proceedings, No. 3,580, dated 11th instant.

2. In reference to paragraph 1, I have to observe that the entry in Column 7 of the statement submitted for the official year 1866-67, was simply made in reference to paragraph 2 of the late Collector's letter, dated 3rd March 1866, No. 192.

3. The price asked for the lands referred to is that entered in Column 14 of the statement.

4. In reference to paragraph 2, I beg to observe that in letter, dated 21st January 1866, No. 62, from this office, it is distinctly stated that all except two individuals had agreed to commute their annual payments; that the sum payable for these two was Rupees 30-1-11; and in the statement which accompanied the above letter, Column 6, it is shown that the payment was to commence from Fusly 1275.

5. In their Proceedings, dated 29th June 1866, No. 4,443, paragraph 3, the Board recommend to Government the case of these Inamdars as they did not consent to commute their compensation by a single payment.

6. Seeing from the foregoing correspondence that the matter had been fully reported upon, I did not think it necessary in submitting my statement of 4th May last, to enter into past particulars, and simply quoted the correspondence on the subject.

1. Resolved that the foregoing papers be submitted to Government, with the Board's recommendation that the commutation be sanctioned at the rates proposed by the Collector.

2. The Collector stated in his letter, to which reference is made in paragraph 2 of Mr. Master's letter of the 24th ultimo, and which is in Government Proceedings, dated 3rd August 1865, Public Works Department, No. 2,441, that the amounts had been arrived at after much discussion, and that the rates asked are not more than the lands would fetch if sold in the market.

3. Mr. Carmichael was requested by the Board to state the principle on which the local officers valued the land.

4. This question has not now been answered, but the Board do not think it necessary to delay further in submitting the papers on that account. They observe that the commutation proposed is eighteen years' purchase.

5. A sum of Rupees 30-1-11 is payable yearly to two of the owners, who decline to accept a lump payment in commutation.

Read the following paper from the Acting Collector of Vizagapatam, to the Secretary to the Board of Revenue, dated 11th June 1867, No. 3,580.

Paragraph 7 of their Circular, No. XVIII., (Board No. 4,411,) dated 29th June 1866.
Statement of remuneration on land or otherwise, proposed to be given to Inamdars in lieu of their Inams, which have become unprofitable from causes beyond the Inamdars' control, or by some act of Government, in the district of Vizagapatam, for the official year 1866-67.

Proceedings of the Madras Government, Public Works Department,

Remark.—Besides the amount referred to in Column 14, the annual compensation for Fuslies 1275 and 1276, at Rupees 2,308-15-2, is due to the Inamdars.

2. Do. 12th November 1866, No. 8,154.

3. Do. 31st January 1867, No. 673.

Proceedings of the Madras Government, Public Works Department,
15th August 1867.

1. The amount entered in Column 7 of the above statement as "the estimated price calculated from the sales of similar land in the neighbourhood" is the same as the entry in Column 7 of the statement submitted to the Board on the 24th January 1863. From Mr. Carmichael's letter of the 21st May 1866, No. 407, it would appear that the amount in question was fixed arbitrarily at as much as the parties agreed to below the twenty years' purchase. It has, therefore, nothing to do with the sale value of similar lands in the vicinity.

2. The remark column shows that in some cases the Inamdars have not agreed to the commutation. But the Acting Collector does not say how he proposes to deal with them. From the correspondence which has already taken place on the subject, it will be seen that a yearly payment was proposed. But it is nowhere stated how many Inamdars there are, and what is the amount involved in each case. The total sum proposed to be paid annually is Rupees 30-1-11. The Acting Collector has not shown from what date the payment should commence, and why the parties are unwilling to accept the same terms as the other claimants.

3. The Acting Collector will be requested to submit a full report with reference to the foregoing remarks.

Transferred to the Department Public Works with reference to G. O. dated 20th October 1866, No. 3,349, in that Department.
