*Proceedings of the Madras Government, Public Works Department.
4th January 1867.*

Read the following letters :—

No. 55. From the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Camp, Dowlaishweram, 7th August 1866, No. 81.

In reply to G. O. No. 2,276, 19th July, I have the honor to observe that I have no personal experience in the success of any measures for the removal of obstructions to the navigation of rivers.

No. 56. From the Superintending Engineer, 2nd Division, to the Secretary to Government, Department Public Works, dated Camp, Sooloorpett, 3rd December 1866, No. 71.

With reference to G. O. No. 2,276, dated 19th July 1866, I have the honor to state that never having been employed in removing obstacles to the navigation of rivers, I am not in a position to offer any matured observations on the subject, which I could hope would be serviceable to others.

No. 57. From the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp, Rajampett, 13th December 1866, No. 2,723.

With reference to G. O. No. 2,276, of 19th July 1866, I have the honor to inform you that, after careful consideration of the papers, I have no observations to make on the means best adapted for the removal of obstacles to the navigation of rivers.

No. 58. From the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 25th September 1866, No. 2,330.

Adverting to Government Order No. 2,276, dated 19th July 1866, calling upon Superintending Engineers "to submit such observations as they may be in a position to offer on the means best adapted for the removal of obstacles to the navigation of rivers," I have the honor to report that my experience not having been in that direction, I am not in a position to offer any remarks of a practical and useful nature.

No. 59. From the Superintending Engineer, 5th Division, to the Secretary to Government, Department Public Works, dated Salem, 28th July 1866, No. 79.

With reference to the Order of Government of the 19th of July, No. 2,276, I have the honor to state, that none of the rivers in the 5th Division are navigable, and I have no suggestions to offer founded on experience in removing obstacles to river navigation.

No. 60. From the Superintending Engineer, 6th Division, to the Secretary to Government, Department Public Works, dated Shealli, 25th July 1866, No. 477.

In reply to G. O. No. 2,276, dated 19th July, I have the honor to inform you that, having had no experience in the removal of obstacles such as are adverted to
