Proceedings of the Madras Government, Public Works Department
16th August 1867.

No. 388. Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Camp at Mookkoor, 6th August 1867, No. 2,241 :—

1. I have the honor to submit for sanction an estimate, amounting to Rupees 312, for re-constructing the walls and roofing the three lascars' huts at the

Pulicat Light-house, which has been prepared by the Assistant Engineer, No. 1 Range, Madras District, at the request of the Light-house Superintendent, and subsequently approved of by the Superintendent of Marine.

2. Mr. Goodchap has also prepared another of Rupees 45, for repairing the roof of the huts with thatch, but as the buildings are in a very dilapidated and leaky state, and their present value is only Rupees 20, I think it inadvisable to lay out this sum of Rupees 45 on the repairs of the roof alone.

3. I beg to recommend, however, that the estimate for Rupees 312, now submitted, which provides for re-constructing the walls and putting up a tiled roof, may be sanctioned as a repair from the current year's allotment for repairs under the head "Miscellaneous Public Improvement, Rupees 250" in the Madras District, the balance, Rupees 62, being taken from the allotment for repair to Civil Buildings.

No. 389. ORDER THEREON, 16th August 1867, No. 2,505.

CIVIL WORKS, No. 52.

The cost of the re-construction of the lascars' huts at the Pulicat Light-house is clearly chargeable to the allotment for "New Works." The Government sanction the estimate of Rupees 312, and request the Superintending Engineer to report from what source the required amount may be disbursed.

(True Extract.)

(Signed) J. H. M. SHAW STEWART, Major, R. E.,

Under Secretary to Government.

To the Superintending Engineer, 4th Division, with Estimate.
