*Proceedings of the Madras Government, Public Works Department,
16th August 1867.*

Read the following papers:—

No. 392. From the Superintending Engineer, 5th Division, to the Secretary to Government, Department Public Works, dated Bangalore, 5th August 1867, No. 87.

1. I have the honor to request that the sanction of Government may be obtained for the exemption of A. Arogeasawmy Pillay, at present a Draughtsman and Estimate-maker in the Executive Engineer's Office, Bangalore, from passing the examination required from Overseers in the Department Public Works.

2. He passed in 1863 for the grade of Surveyor, first class, at the Civil Engineering College, and since then he has been employed, first, under Captain Tulloch in surveying, levelling, and plan-drawing in connection with the Madras drainage project, and afterwards, while Draughtsman in the Executive Engineer's Office, he has been performing the duties of an Overseer on the large works at Bangalore. He is strongly recommended for the post of Overseer by Captain Tulloch and Lieutenant Pennycuik, and I believe he is better qualified for the post than most passed students.

Referred to the Principal of the Civil Engineering College for report as to whether passed candidates are now available to fill vacancies in the grade of Talook Overseer in the Public Works Department.

Under Secretary to Government,

FORT SAINT GEORGE,
8th August 1867.

No. 393. Memorandum from the Principal of the Civil Engineering College, to the Under Secretary to Government, Public Works Department, dated Madras, 10th August 1867, No. 376.

States in reply that all the Students who passed out of the College at the examination in May last, with certificates of qualification as Talook Overseers, have received appointments in that grade, there are therefore none now available to fill vacancies.

No. 394. ORDER THEREON, 16th August 1867, No. 2,507.

ESTABLISHMENT, No. 55.

Considering the very favorable testimony borne in these papers to the qualifications of A. Arogeasawmy Pillay, Draughtsman and Estimate-maker in the Executive Engineer's Office at Bangalore, and that the services of a passed candidate are not available, the Government authorize his appointment as a Talook Overseer.
