No. 401. Read the following Memorandum from the Quarter Master General, to the Secretary to Government, Military Department, dated Head Quarters, Ootacamund, 5th August 1867, No. 838/5,059:—

1. The Commander-in-Chief has the honor to recommend that, under the circumstances herein represented, funds may be assigned for enclosing the site selected for the new Cemetery for the Portuguese Roman Catholics at the Mount.

2. The work is entered in the list recorded in the Proceedings of Government, dated 2nd November 1866, No. 3,809.

3. The Cemetery for the Troops of the Roman Catholic persuasion at the Mount has been completed under the sanction of Government accorded in Public Works Order, No. 2,910, dated 12th September 1866.

By Order,

(Signed) C. COOKE, Colonel,
Quarter Master General.

From the Officer Commanding Centre Division, to the Quarter Master General, Ootacamund, dated Head Quarters, Centre Division, St. Thomas' Mount, 30th July 1867, No. 100.

No. 321, dated 17th July 1867.

I have the honor to forward letter as per margin; from Officer Commanding the Mount, and to state that the Superintending Engineer, 4th Division, agreeably to the Orders of Government, No. 3,640, dated 15th November 1866, paragraph 3, entered the estimate for the Portuguese Cemetery at St. Thomas' Mount in his list of works requiring sanction from the Reserve this year, but no funds were allotted by Government. The work being urgently required, I have to solicit that Government be again moved to allot the necessary funds, on sanitary grounds, to carry on the work without delay.

From the Officer Commanding St. Thomas' Mount, to the Deputy Assistant Quarter Master General, Centre Division, dated Mount, 17th July 1867, No. 321.

1. I have the honor to request that early measures may be taken for the completion of the Portuguese Cemetery which is intended to be constructed on the east side of the new Roman Catholic Cemetery, the plan and estimate of

which have been already approved and sanctioned by Government,* but not undertaken for want of funds in the hands of the Executive Engineer.

2. The Collector has issued a notice on sanitary grounds, requiring the discontinuance of interments in the present ground, a proceeding in which I entirely concur. By arrangement with the Collector the period of enforcement of this order will be as soon as temporary arrangements can be made for interments elsewhere. As far as I can judge at present, I shall have to order the interments to be conducted in the site selected for the new Portuguese Cemetery, but as this ground is not enclosed, I consider that the work in question (viz., its enclosure,) is urgently required, and I request that it may at once be laid before Government as emergent.
