No. 442. ORDER THEREON, 19th August 1867, No. 2,531.

ACCOUNT, No. 56.

The Controller is requested to explain why the usual monthly clearances to the Officers of the Public Works Department in the Kistna and Nellore Districts have not been granted since May 1866 and January 1867 respectively. From the statement submitted by the Superintending Engineer of the 2nd Division, it appears that no notice of audit of the accounts of No. 6 Range of the Kistna District for April 1866, and of No. 4 Range of the Nellore District for July 1866, has yet been received. The cause of this delay should also be explained by Captain Fischer; who will submit to Government, with his reply, a statement showing the period up to which clearances have been granted to the several Range Officers in this Presidency.
