Proceedings of the Madras Government, Public Works Department.
20th August 1867.

No. 476. Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Courtallum, 10th August 1867, No. 952 :—

I was instructed by G. O. No. 1,312, of the 1st May 1867, to carry on the new Jail and Court-house works at Madura with all expedition, as further allotments would be given when required, and I have now the honor to report that up to the 31st ultimo there has been expended on the—

Jail works.... .. Rupees 26,731

On the Court-houses... .. „ 8,900

The Budget allotment for the former is Rupees 30,000, so that there is hardly an average month's expenditure remaining available; the allotment for the latter is Rupees 13,545, or the money left unexpended would suffice for two months, on the average of the past four months: but a large quantity of timber has now come in, in consequence of which larger payments are expected to be made for the current month. I, therefore, request that I may have placed at my disposal the balances of the estimates, viz. :—

For the Jail... .. Rupees 20,800

For the Court-houses... .. „ 4,156

No. 477. ORDER THEREON, 20th August 1867, No. 2,548.

ACCOUNT, No. 59.

The Superintending Engineer of the 8th Division will be informed that the Government have at present no funds at their disposal to assign for the new Jail and Court-house at Madura. Captain Prendergast will prosecute those works to completion by providing the required amount from his general allotment, and the Government will, as the year advances, be prepared to supplement that allotment to the required extent.
