*Proceedings of the Madras Government, Revenue Department,
20th August 1867.*

No. 389. Read the following letter from the Postmaster General, to the Secretary to Government, Public Works Department, dated Camp at Ootacamund, 10th August 1867, No. 1,424 :—

1. I have the honor to request that you will be good enough to inform me whether Government contemplate making any improvement in the road from Caroor viâ Dindigul to Madura.

2. I find that the mails for Madura and Tinnevely, which are now sent by that road, are sometimes delayed as much as ten hours by the overflow of nullahs between Caroor and Dindigul. And I suppose that this line of road will, on the completion of the Railway from Errode to Caroor, be of considerable importance for other than postal purposes.

Referred to the Revenue Department, with reference to the Proceedings of the Board of Revenue, No. 6,073, 24th August 1866, paragraph 4, and No. 4,544, 18th July 1867, paragraph 3, recorded in the Orders of this Department, Nos. 2,957 and 2,306, of the 15th September 1866 and 31st July 1867, respectively.

(Signed) J. H. M. SHAW STEWART, Major, R. E.,
14th August 1867. Under Secretary to Government.

No. 390. ORDER THEREON, 20th August 1867. No. 1,941.

Miscellaneous.

Referred to the Board of Revenue for report whether any provision has been made or is contemplated from Local Funds for the improvement of this line of road as a Railway feeder and District communication.
