Proceedings of the Madras Government, Public Works Department, 27th August 1867.

No. 612. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Department Public Works, dated Kristnagiri, 21st August 1867, No. 98 :—

1 Statement.

1. With reference to paragraphs 4 and 7 of the Order of Government of the 5th of August, No. 2,363, I have the honor to forward a statement showing the allotment and expenditure at Bangalore, during the past official year, and the details of the unexpended balances of the Local Funds of the Salem and South Arcot Districts.

2. The amount entered in the Controller's statement, as saving on the allotment for Bangalore is incorrect. The greater portion of the unexpended balance of Local Funds in South Arcot consists of the sum of Rupees 5,000, sanctioned for the Zillah school-house, which was not commenced, as the Director of Public Instruction had not decided on the plan or the site. In the Salem District, the amount allotted for the Zillah school-house was not at the disposal of the Public Works Department, and roads, the estimates for which amounted to Rupees 13,480, were transferred to be carried out by the Revenue Department at the request of the Collector, hence the large balance at the end of the year.

No. 613. ORDER THEREON, 27th August 1867, No. 2,613.

ACCOUNT, No. 71. Ordered to be recorded.
