Proceedings of the Madras Government, Revenue Department, 23rd August 1867.

1. From the foregoing statement it appears that A. 10 and C. 39 of land assessed at Rupees 15-7-1, the property of the Paittavoythalay Devastanum, have been taken up by the Great Southern of India Railway Company, and that the Collector proposes giving in exchange A. 2 and C. 74 of wet land in the occupation of ryots bearing very nearly the same assessment.

2. The Board see no objection to this arrangement, and they accordingly request the sanction of Government to it.

No. 467.

ORDER THEREON, 23rd August 1867, No. 1,978.

Miscellaneous.

1. The Government infer that the Collector's intention is to buy the land from the present holders and to make it over on freehold tenure to the Devastan, and on this understanding they sanction the proposed arrangement.

2. If the above inference is incorrect, the Acting Collector will explain the arrangement more fully.
