648A & 648B

Dated 29-8- 1867.

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department
29th August 1867.

No. 648.A Read the following letter from the Officiating Commissioner of My to the Secretary to Government, Public Works Department, dated galore, 17th August 1867, No. 2,819/16:—

1. With reference to your letter No. 2,346/76 of the 3rd instant, I hav honor to state, for the informatio His Excellency the Right Hono the Governor in Council, that ins tions have been issued to the Chie gineer in Mysore to provide the re site funds in the ensuing year's Bu to meet the cost of the works margin specified, agreeably to the estim sums specified in Captain Kenne letter of 12th June 1867, furnished with your letter.

	Rs.	A.	P.
1. Construction of a permanent bridge over the Sooradhalla stream, estimated at ...	5,150	0	0
2. Moiety of the cost of bridging the Mahwunhalla stream, estimated at Rs. 6,600, amounting	3,300	0	0
3. The cost of making the road connecting the two bridges, on which the expenditure up to the 12th June 1867, is reported to amount to	3,346	11	11

2. I beg that you will move His Excellency in Council to cause this Offi be furnished with the designs, estimates, &c., which appear to have been submi by Captain Kennedy for the three works referred to, and to intimate to that Off that the Chief Engineer in Mysore has been directed to arrange, in communicat with him, to have the work No. 3 measured up and valued by the Executive E neer of the Division, when completed and in a condition to be made over to Mysore Public Works Department.

Paragraph 4 of Chief Engineer's letter, No. 4,082/394, dated 15th August 1867.

3. I have further to request the particulars required by the Ch Engineer in the extract as per marg may also be furnished in respect to the proposed bridge over the Sooradhalla.

Extract from a letter from the Chief Engineer, to the Secretary to the Commissioner Mysore, No. 4,082/394, dated 15th August 1867.

Para. 4. Captain Kennedy having apparently framed a design and estimate for bridg the Sooradhalla, I should be glad to be furnished with this design and the calculations for flood discharge of the stream. The Government of India, to whom the complete estimate of the must be submitted for sanction, will also require a copy of the design and estimate for the Mahw halla stream, with the usual longitudinal and cross sections, flood discharge, nature of bed, &c. would, therefore, appear desirable for the Commissioner to move the Madras Government to furn this information.

No. 648.B ORDER THEREON, 29th August 1867, No. 2,631.A
