Proceedings of the Madras Government, Public Works Department, 29th August 1867.

No. 651. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Camp at Dowlaishweram, 17th August 1867, No. 112:—

1. I have the honor to inform you that Serjeant Maile, Sappers and Miners, who has recently joined this district as a Surveyor on a consolidated allowance of Rupees 150 per mensem, and is now employed in surveying site for proposed reservoir at Yernagoodem, received, from the Principal Civil Engineering College, Rupees 100 and subsequently Rupees 50 from this Officer, Captain Edgcome having intimated to me that he was entitled to Rupees 150, equipment allowance. But the Controller objects to pass the bill, on the grounds that he is not on the permanent establishment. I have, therefore, the honor to request that Rupees 150 may be sanctioned as equipment allowance to Serjeant Maile.

2. I do not know whether the equipment money allowed to Overseers entering the department is intended to be expended in purchasing tents or on household furniture, and other necessaries, &c., if the former, I think it advisable for the Officer making the advance to see that tents are purchased, if the latter, an additional advance appears to be needed to enable the newly appointed Overseer to buy tents, as it must often happen that a man might as well remain in Madras as arrive in a district without a tent.

No. 652. ORDER THEREON, 29th August 1867, No. 2,633.

ESTABLISHMENT, No. 75.

As Serjeant Maile has not been appointed to the permanent establishment of the Public Works Department, he is not entitled to the out-fit allowance sanctioned in the Order of the 17th July 1865, No. 2,033.
