*Proceedings of the Madras Government, Public Works Department,
29th August 1867.*

No. 661. Read the following letter from Mr. R. D. HAMILTON, Accountant, 2nd Grade, Public Works Department, British Burmah, to the Secretary to Government, Public Works Department, dated Bangalore, 21st August 1867:—

1. I respectfully solicit your kind consideration of the prayer contained in this letter.

2. My sanctioned sick leave expired on the 19th instant, but as I believe that the extension of six months, for which I have applied, will not be refused by the Government of India after the very strong opinion expressed by Dr. Smith in his letter which I submitted to you on the 16th instant, I beg that you will be pleased to sanction the continuance of my half salary up to 30th September, in anticipation of the extension being allowed to me. The amount so drawn by me might be considered as an advance, to be adjusted by salary bills in the event of the extended leave being granted, or by deduction from the gratuity which may be allowed to me. I am compelled to prefer this request, as the orders of the Government of India will not probably be received for some weeks to come, and in the meantime I shall suffer considerable hardship if my absentee allowances be suspended. I therefore humbly trust that my peculiar case will induce you to grant my request, which would greatly relieve my present anxiety of mind.

3. I beg to add that all advances up to date have been adjusted in full.

No. 662. ORDER THEREON, 29th August 1867, No. 2,638.

ESTABLISHMENT, No. 77.

Subject to the approval of the Government of India, His Excellency the Governor in Council authorizes the

Controller of Public Works Accounts to continue to pass to Mr. Hamilton one half of the salary of his appointment up to the 30th proximo.
