*Proceedings of the Madras Government, Public Works Department,
29th August 1867.*

No. 670. Read the following letter from the Secretary to the Government of India, Public Works Department, (Establishment,) to the Secretary to the Government of Madras, Public Works Department, dated Simla, 7th August 1867, No. 25 E I:—

1. In reply to your letter No. 1,897 of the 25th ultimo, I am directed to communicate the sanction of the Government of India to the salaries of the coolies (60) employed on the Conservancy Establishment of the anicut at Dowlaishweram, in the Godavery District, being raised from Rupees 3 and 4 to Rupees 5 per mensem, involving a monthly increase of cost of Rupees 100 per mensem. The increase is purely nominal, for the practice has hitherto existed of supplementing their monthly pay by daily pay.

2. I am at the same time to point out that the custom of giving daily pay to the coolies in addition to their sanctioned monthly pay, is quite irregular, and should have been noticed and prohibited by the Superintending Engineer. It is requested that the practice may be discontinued.
