*Proceedings of the Madras Government, Public Works Department,
30th August 1867.*

No. 677. Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 21st August 1867, No. 2,471 :—

1. I have the honor to request the orders of Government as to the mode in which applications, from the Municipal Commissioners of the Town of Madras, for the erection of parapet walls round the wells situated within the limits of their jurisdiction are to be dealt with, seeing that the funds of the Presidency District at my disposal for Minor New Works, Military, are exhausted.

2. The Barrack Master has applied lately to the Executive Engineer, Northern Range, for the erection of parapets round two wells in the Lines of the 3rd Regiment, Royapooram, for which an estimate for 50 Rupees has been submitted to me, and other applications of a like nature will arise under the Municipal Act. If I can treat them as Civil works, a small balance is still available under this head.

No. 678. ORDER THEREON, 30th August 1867, No. 2,646.

CIVIL WORKS, No. 87.

As the wells referred to in this letter are within Municipal limits, and the expenditure on the erection of parapet walls around them is not likely to be heavy, the Superintending Engineer of the 4th Division is authorized to carry out the works leaving the outlay upon them to be adjusted hereafter.
