POSTAL SERVICE.

Board letter No. 95, 26th October 1866.

The following Resolution has been passed :—"That the Agent be desired, on the question arising for settlement, to express the hope of the Board that the Government will take a liberal view by allowing not only the actual expense, but the usual interest, and an amount for wear and tear, proportion of fixed charges, &c."

(True Copy.)

10th August 1867.

(Signed) W. S. BETTS.

1. Submitted for the consideration of Government.

2. The probability of any extra Postal Trains being required on the Great Southern of India Railway is so remote, that it appears to me to be altogether premature to arrange the details of the remuneration to be allowed the Company for this service.

Consulting Engineer for Railways.
