MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Secy. to Govt., Public Works Dept... Here enter 19th July 1867, No. 13.

Report from the Ag. Controller of Military Accts. .. 2nd Augt. .. I.

From the Secretary to Government, Public Works Department, Fort Saint George, 19th July 1867, No. 13; to the Secretary to Government, Military Department.

In his despatch to the Government of India of the 16th April 1864, No. 110, the Secretary of State requested to be supplied with copies of the following three different descriptions of maps of all stations in the occupation of British Troops permanently quartered there.

1. Maps of the country in the vicinity of stations.
2. Do. of the stations themselves.
3. Do. of the Military buildings in those stations.

2. In their Proceedings in the Military Department of the 8th January 1866, the Government directed that the first two of these maps should be prepared by the Quarter Master General's Department, and they subsequently sanctioned the entertainment of a special establishment for the purpose at a cost of Rupees 180 per mensem.

3. The Public Works Department was required to lithograph the maps numbered 2 above, as they were completed by the Quarter Master General, and to furnish in addition, the maps (numbered 3) of all Military buildings in the several stations of this Presidency. These plans are numerous and elaborate, and, notwithstanding all the effort that has been put forward to carry on the work, I regret to say that very little progress has been made. The Lithographic Establishment attached to this office was reduced in 1863, to the scale which was considered only absolutely necessary to meet the requirements of the Public Works Department, and it has consequently been found impossible to cope with the recent large accessions of work from other departments. Under these circumstances, I have the honor to request that, with a view to the preparation of the maps abovementioned being systematically undertaken, and completed as expeditiously as possible, the entertainment of the following temporary establishment, which I consider absolutely necessary, may be sanctioned for a period of two years.
