BELLARY MAGISTRATE'S OFFICE.

No. 902

10th August 1867

From,

Mr. M. S. M. Esquire,
Magistrate of
Bellary.

To,

Mr. S. J. M. Esquire,
Superintendent of
Bellary.

Sir,

File No. 1112
8187-67

With reference to the annexed copy of the letter from the Resident of Hyderabad, I have the honor to suggest the expediency of appointing an arbitrator in a matter relating to the irrigation interests of the District, a member of the C. P. W., and if you agree in that view, I should suggest that Mr. Porter be the Officer selected.

2. The subject of a water supply is so purely professional & of such importance to the irrigation works of the District, that I should not like to act in a dispute connected therewith, without your concurrence. Should the likelihood of any two Master District Officers coming to a decision, such as will be before, suggest this more fairly - an impartial professional view of the subject & joint report, if in agreement can be sent to the Officer. If not, it would be, as in the other dispute lately settled at Hampden, the best way of arranging the matter -

I am, Sir, very respectfully,
Your most obedient servant,
M. S. M.

To The Collector of
Bellary.

Sir,

I have the honor under instructions from the R.
-sident, to acknowledge the receipt of your letter No. 24 of the
24th ultimo, and to state in reply, that the same is being
to settle the dispute between the people of Bachalla and
those of Rampur would appear to have failed, because
the Arbitrators named on that occasion did not proceed
in the spirit of their instructions.

2. I have now the honor to request that you will
be good enough to appoint on the part of the people of
Rampur an officer in whose judgment and im-
-partiality you think you can depend, and inform
me of his name in order that H. H. the Vizier's
Government may be requested to nominate another
officer on the part of the people of Bachalla to be
associated with the former in finally adjusting the
dispute.

3. It is proposed with your concurrence that a
Raznamah should be taken from the parties concerned to
abide by the decision of the Arbitrators, & that the latter should
be empowered in case of difference between them to nominate
a third person - as umpire.

4. On your intimating to me whom you have named as
above, and also the date when he will be on the spot, a com-
-munication will be made to H. H. the Vizier's Government
on the subject.

5. The enclosure received with your letter is herewith
returned.
