*Proceedings of the Madras Government, Public Works Department,
2nd September 1867.*

No. 28. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 20th August 1867, No. 1,490:—

1. With reference to G. O. No. 2,260 of 26th ultimo, directing to make every exertion to work up the road between Bellary and Cuddapah frontier into a passable condition with the present maintenance allowance of Rs. 150 per mile, I have the honor to request that Government will sanction the annual maintenance grant being increased to Rupees 200 per mile, as from the proximity of the Railway works the rates for labor and materials have increased from 25 to 50 per cent. during past few years, and it is not possible to do work now, at the same rates as formerly.

2. The increase now asked for is as follows:—

	Repairs.	Petty Establishment.
	RS.	RS.
Present grant, 94 miles, @ Rs. 150 = 14,100 ...	13,200	900
Proposed grant, 94 miles, @ Rs. 200 = 18,800 ...	17,900	900

No. 29. ORDER THEREON, 2nd September 1867, No. 2,638.

ACCOUNT, No. 5.

The Superintending Engineer of the 3rd Division is authorized to enter in future Budgets the increased grant which is applied for in this letter for the maintenance of the road between Bellary and the Cuddapah frontier.

Superintendent Engineer 2nd Bn

Sept 1880

With reference to the report of the committee on the subject of the proposed grant for the improvement of the road from the station to the village of ... the committee have the honor to inform you that they have considered the same and are of opinion that the proposed grant of Rs 18,800 is excessive and that a grant of Rs 14,100 would be sufficient for the purpose. The committee also recommend that the grant should be made on condition that the road should be improved within a certain period of time.
