Proceedings of the Madras Government, Public Works Department.
2nd September 1867.

No. 30. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Department Public Works, dated Kristnagiri, 21st August 1867, No. 99:—

I have the honor to request I may be informed whether the entire building shown in the enclosed standard plan of Serjeants' Mess and Library is intended for the exclusive use of Serjeants, or whether the rooms marked "Reading-room" and "Library" are for the men. A doubt has arisen on this point, from two of the rooms being marked specially for Serjeants, and the portion of the building containing these rooms being completely separated from the rest by a wall extending across the front and back verandahs.

No. 31. ORDER THEREON, 2nd September 1867, No. 2,689.

MILITARY WORKS, No. 3.

The Government of India will be addressed on the subject of this letter.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

SIR,

MILITARY WORKS, No. 4.

With reference to your letter No. 78 of the 20th September 1866, giving cover to a standard plan of "Serjeants'

"Mess and Library for a Regiment of British Infantry or Cavalry," I am to state that, owing to the portion of the building which is to be appropriated to the purposes of a Library and Reading-room being completely separated by a wall, extending across the front and back verandahs, from the Mess and Recreation-rooms which are marked specially for the use of Serjeants, doubts have arisen as to whether the former are intended for the exclusive use of Serjeants, or to be made available for the men of the Regiment generally, and I am accordingly to request the orders of the Government of India upon the subject.

I have the honor to be,

Sir,

Your most obedient servant,

Secretary to Government.
