No. 73.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

SIR,

ESTABLISHMENT, No. 6.

With reference to your letter of
the 9th August 1867, No. 1,095 E, I
am directed to invite attention to the

Proceedings of this Government, under date the 13th December 1866, No. 3,927,
from which it will be observed that in order to ensure the expeditious and economical execution of the important works which are in progress in Wynaad, and on which a large outlay is being annually incurred, it was considered expedient, as a temporary measure, to relieve the Superintending Engineer of the 7th Division of the control of those works by placing them under the direct and exclusive management of an Officer who would be able to devote himself entirely to their efficient supervision. Captain Kennedy was selected for this special charge as possessing the experience and aptitude which are essential to ensure the advantageous and speedy prosecution of the works; and to enable that Officer to cope with the increased amount of Officework which the arrangement would inevitably entail, the establishment referred to by you was temporarily sanctioned, the charge being met from the Budget provision for Temporary Establishments.

I have the honor to be,

Sir,

Your most obedient servant,

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.
