No. 123. Read the following letter from the Acting Deputy Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 27th August 1867, No. 1,788 :—

1. I have the honor to submit the accompanying letter and statement, received from the Superintending Engineer, 2nd Division, and to request you will be good enough to obtain the sanction of Government to the transfer of a sum of Rupees 4,038 from "Works" to "Establishments."

1 Statement.
1 Letter.

2. The Superintending Engineer urges that the additional sum is indispensably necessary to meet the demand for the Petty Establishments required for the proper supervision of the works in the current year, and recommends that it be transferred from the allotments of Rupees 97,500 and Rupees 45,000 under "Agricultural Repairs" in the Kistna and Nellore Districts, respectively.

3. The necessity for an increase in Petty Establishments is owing to the allotments of the 2nd Division being very much larger this year than in the previous one, as shown in the margin. An entire change in the amount allowed for each Range for Petty Establishments is also requisite, as shown in the statement, and to this re-arrangement of the allotments the sanction of Government is requested.
