Read the following papers:—

Memorandum from the Quarter Master General, Head Quarters, Ootacamund, 24th August 1867, No. $\frac{999}{5421}$; to the Secretary to Government, Military Department, Fort Saint George.

The Commander-in-Chief has the honor to request that the sanction of Government may be accorded to the demolition of the building. The materials to be utilized as proposed by the Executive Engineer.

From the Officer Commanding Head Quarters, Southern Division, Trichinopoly, 21st August 1867, No. 132; to the Quarter Master General, Head Quarters, Ootacamund.

I have the honor to forward herewith an original letter* from the Executive Engineer, Wellington, requesting permission to demolish a temporary building erected by the Department Public Works to oblige the Officer Commanding 3rd Battalion 60th Rifles.

**No. 265, dated 8th August 1867.*

2. As the building in question, although not borne in the returns as a military building, must have been paid for out of Government funds, I consider it advisable to submit the question of its demolition for the sanction of His Excellency the Commander-in-Chief.

From the Executive Engineer, Neilgherries, Ootacamund, 8th August 1867, No. 265; to the Officer Commanding, Wellington.

Situated close to my office at Wellington and behind the station school and library, there is a temporary building erected by this department, to oblige the Officer Commanding Her Majesty's 3rd Battalion 60th Royal Rifles, when that regiment was stationed at Wellington, which you will find is not on your returns as a military building, and in addition is built on the only proper line of approach to the married mens' quarters. The materials are wanted to enable me to complete my workshops and workyard, and as the temporary building is an unsightly object and perfectly useless, I request you will allow me to pull it down and use the materials for public purposes.
