*Proceedings of the Madras Government, Public Works Department,
6th September 1867.*

No. 149. Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 3rd September 1867, No. 2,700:—

1. I have the honor to report that on a recent inspection of the Coopum Sub-Magistrate's Cutcherry, Palmanair Talook, North Arcot District, with the Collector, I was requested by Mr. Robinson to afford ventilation at once to the Lock-up, which I did by ordering the Assistant Engineer to carry out the enclosed estimate, amounting to Rupees 115, which I now submit for sanction. The room was totally devoid of fresh air, and it was a cruelty to confine human beings in such a locality.

2. The Minor New Work allotment was spent in July last, and the only means of meeting the expenditure will be to transfer funds from savings hereafter on Civil Buildings in the district.

No. 150. ORDER THEREON, 6th September 1867, No. 2,751.

CIVIL WORKS, No. 16.

The sanction of Government to the estimate submitted with this letter is unnecessary under the Orders of the

29th May 1866, No. 1,698, and 5th June 1867, No. 1,689.
