MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Quarter Master General, Head Quarters, Ootacamund, 19th August 1867, No. $\frac{932}{5309}$; to the Secretary to Government, Military Department, Fort Saint George.

Pro. of Govt., No. 1583, dated 2nd May 1867.

With reference to the plan approved by Government for the new Royapooram lines, I have the honor, by desire of His Excellency the Commander-in-Chief, to state that on the representation of Colonel Freese, Commanding the 3rd Light Infantry, and in communication with the Inspector General Indian Medical Service and the Acting Sanitary Commissioner, His Excellency has approved of a slight modification of the ground plan as shewn in the accompanying sketch.*

** To be returned.*

2. By removing the left rear sub-division of the northern block to the right front of the same block, there will be no necessity for filling up a well of excellent water which at present occupies that site.

3. Doctor Mackenzie's letter, approving of the alteration, is forwarded for perusal.

From the Inspector General Indian Medical Department, Fort Saint George, 14th August 1867, No. 3081; to the Quarter Master General.

In reply to your letter noted in the margin, *No. $\frac{820}{5034}$ of 2nd instant.* I have the honor to state that after personal examination of the ground yesterday evening in company with Colonel Freese, and communication on the subject with the Acting Sanitary Commissioner, I fully concur in the expediency of the proposed alterations in the plan of the new Regimental Lines at Royapooram.

2. It is very desirable to preserve, if possible, a good well, and there seems no objection to the proposed alteration for that purpose. The 'Sub-division' will in its new position be several hundred feet from the line of rail, and fully twenty yards further from it than the present line of straw huts:—and it will not in any way interfere either with the symmetry of the general plan, or with the ventilation of the 'Block.'

3. The plan and letter from Colonel Freese which accompanied your communication are herewith returned.

ORDER, No. 3265, 31st August 1867.

The Governor in Council approves of the alteration proposed in the plan of the Lines of the 3rd Regiment Native Light Infantry at Royapooram.
