Proceedings of the Madras Government, Public Works Department, 7th September 1867.

Read the following papers :—

No. 175. From the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 13th August 1867, No. 2,297.

1. With reference to the Order of Government, No. 2,200 of the 22nd July 1867, I have the honor to suggest that quarters for the accommodation of the Sub-Conductor at the Bakery at Madras be erected on the plan and estimate, amounting to Rupees 3,555, sanctioned in Order as per margin,* for the Staff Serjeant employed at the same building.

* G. O. No. 695, dated 8th March 1867.

2. These quarters have been erected, and I believe are approved of since their occupation. The space afforded will be rather in excess of the allotment shown in the standard plans for Warrant Officers' houses received with G. O. No. 3,943, dated 14th December 1866, but rather less than that provided in the quarters now under erection on the Fort Esplanade, Madras, for the Warrant Officers at the Presidency.

Referred to the Military Department.

Under Secretary to Government.

No. 176. From the Acting Commissary General, Madras, to the Secretary to Government, Military Department, Fort Saint George, dated Madras, 30th August 1867, No. 3,775 :—

1. I have the honor to acknowledge the receipt of the Order of Government dated 17th August 1867, referring to me a letter from the Acting Superintending Engineer, 4th Division, regarding the erection of quarters for a Warrant Officer at the Government Bakery at Madras, and to state that the quarters at that place, now in the occupation of a Staff Serjeant, are much inferior in extent to those sanctioned for a Sub-Conductor as per diagram No. 4, received with the Proceedings of Government No. 2,930, dated 8th August 1867.

2. As it may not unfrequently happen that the Warrant Officer placed in charge of the Bakery will be a full Conductor (the Officer now in charge is a Deputy Assistant Commissary) I would suggest that accommodation for a Conductor as per diagram No. 3 may be provided.

Transferred, with No. 4,211, to the Department Public Works.

(Signed) R. HAMILTON, Colonel,
Deputy Secretary to Government.

2. The last standard plan of quarters for Warrant Officers was circulated to the Superintending Engineers with Public Works Proceedings of the 28th* June 1867, No. 1,930.
