CIVIL WORKS, No. 19.

1. The Right Honorable the Secretary of State for India having suggested the propriety of a monument, suitably inscribed, being erected near the grave of the late Supervisor Campbell, who died while in charge of operations on the Carcoor ghaut, an estimate of Rupees 600 for the work is now submitted by Captain Kennedy in compliance with G. O. No. 2,311, dated 21st July 1866.

2. His Excellency in Council observes that the estimate provides for the use of material which will be liable to rapid deterioration in a climate like that of Wynaad, and he resolves accordingly to return it to Captain Kennedy, and to request that Officer to prepare and submit an estimate for a stone monument upon the design herewith forwarded.
