Department, and keeping them un-
employed.

Referred to the Inspector General of Police for any remarks which he may wish to offer in reference to paragraph 9 of the Order of Government.
FORT SAINT GEORGE, (Signed) R. S. ELLIS,
13th August 1867. Acting Chief Secretary.

- No. 16. From the Inspector General of Police, to the Acting Chief Secretary to Government, Fort Saint George; dated Madras, 27th August 1867, No. 1495.

General Department.

With reference to Government Order of the 5th instant, No. 2363, referred for my remarks with your endorsement of the 13th instant, I have the honor to state that the Officers against whom advances are still outstanding have been called upon to adjust the same forthwith.

2. Advances to Police Officers entrusted with the execution of works are, in my opinion, necessary; but there is no reason why they should not be more promptly adjusted, and I propose to take measures to effect this by calling for monthly reports after the expiration of each official year.

3. One cause of delay in the submission of bills is the difficulty sometimes experienced in obtaining "Completion Certificates" from the Officers of the Public Works Department in due time.

- No. 17. ORDER THEREON, 3rd September 1867, No. 1414.

The Governor in Council concurs in the opinion of the Inspector General of Police, that Police Officers entrusted with the execution of works should receive advances for the purpose, but that they should be more promptly adjusted than heretofore.
