MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

From the Insp. General of Ordnance..... Here enter 31st July 1867, No. 86.

From the Quarter Master General..... 23rd August .. 989
5419

From the Inspector General of Ordnance and Magazines, Fort Saint George, 31st July 1867, No. 86; to the Secretary to Government, Military Department.

I have the honor to bring to notice of Government, that a small building is urgently required at the Artillery practice ground, Saint Thomas' Mount, for the purpose of storing the barrels containing powder submitted monthly for proof, and conducting other operations to determine specific gravity and density of the powder proved.

2. The building appropriated formerly for this purpose, at the Artillery Range, has been made over to the Officer Commanding Royal Artillery, Centre Division, for Battery practice purposes.

3. The Superintending Engineer 4th Division has furnished me with a plan and estimate of the proposed building, which is estimated to cost Rupees 900. I beg that the sanction of Government may be accorded to the work being proceeded with.

From the Quarter Master General, Head Quarters, Ootacamund, 23rd Aug. 1867, No. ⁹⁸⁹/₅₄₁₉; to the Secretary to Government, Military Department, Fort Saint George.

I have the honor, by order, to forward, with the approval of the Commander-in-Chief, the accompanying plan and estimate* for constructing a building for storing barrels of gun powder for "proof" at

the Artillery practice ground at Saint Thomas' Mount.

2. A letter from the Inspector General of Ordnance and Magazines to your address is also enclosed.

3. It has been ascertained that the building referred to in paragraph 2 of Colonel Simpson's letter cannot be used for both purposes, viz., for Battery practice and for storing powder for "proof."

ORDER, No. 3358, 7th September 1867.

Approved for execution, on funds being available.
