*Proceedings of the Madras Government, Public Works Department,
16th September 1867.*

No. 376. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 11th September 1867, No. 2,294 :—

1. As the Financial Officer of the Department Public Works, Madras, I consider it my duty to bring to the notice of Government any matter which affects the economical management of Public Works. I have therefore the honor, with reference to G. O., 19th August 1865, No. 2,413, paragraph 12, directing that Superintending Engineers will make arrangements for transferring to Range Officers stores in charge of their respective Store-keepers, to bring to notice that this has accordingly been done months ago, but the *Store-keepers* in the Superintending Engineers' Offices are still retained, and their salaries are passed month after month by this Office.

2. The salaries of the eight Store-keepers at 50 Rupees each, amount to Rs. 400 a month, or 4,800 Rupees a year, which, should the Government approve, may be saved; but, if the full strength of the Office Establishment of Superintending Engineers be determined to be retained, I would suggest that the designation of the men in question be changed to Assistant Accountant, or Draughtsman, or Copyist, as each case may require, as the fact of Store-keepers being retained, when there are no stores to keep, is an anomaly which it may be considered desirable to remove.

No. 377. ORDER THEREON, 16th September 1867, No. 2,861.

ESTABLISHMENT, No. 48.

Referred to the Superintending Engineers for an expression of their opinions.

the notice of Government any matter which affects
the economical management of Public Works. .
I have therefore the honor with reference to G. O.
19th August 1865. N^o. 2313 per No. 12, directing
that Superintending Engineers will make
arrangements for transferring to Range Officers
Stores in charge of their respective Stores-keepers
to bring to notice that this has accordingly
been done months ago, but the Store Keepers
in the Superintending Engineers' Offices are
still retained, and their salaries are passed
month after month by this Office.

2. The salaries of the 8 Store-
keepers at 50 Rupees each, amount to 400 R.
or month, or 4,800 Rupees a year, which should
the Government approve, may be saved, but
if the full strength of the Office Establish-
ment of Superintending Engineers be determin-
ed to be retained, I would suggest, that
the designation of the new in question, be
changed to Assistant Accountant, or
Draftsman, or Copyist, as each case
may require, as the fact of Store-keepers
being retained, when there are no Stores to

Store

These p. is an anomaly, which it may be considered
