*Proceedings of the Madras Government, Public Department,
5th September 1867.*

No. 54. Read the following letter from J. FRASER, Esq., Collector of the Godavery District, to the Acting Chief Secretary to Government, Fort Saint George; dated Cocanada, 21st August 1867, No. 11.

With reference to the Proceedings of Government noted marginally, I beg to state that it seems to me that Government have overlooked the fact that they now receive rent, at the rate of 5½ Rupees a month, from the Assistant Apothecary for his quarters. The rent is paid by a monthly deduction from his pay abstract.

5th December 1866, No. 1235, Public Department.

2. If the Civil Dispensary funds must bear the cost of repair of the Assistant Apothecary's quarters, surely they ought to be credited with the amount of rent paid for them. The person who pockets rent for a building is everywhere, I believe, bound to keep it in repair, and this the Apothecary's quarters now urgently require.

No. 55. ORDER THEREON, 5th September 1867, No. 1094.

Under the circumstances reported in the letter above recorded, the Governor in Council directs that the building in question, now occupied by the Apothecary, be offered to the Committee of the Cocanada Dispensary as an adjunct to that institution. If the Committee accept this offer, they will be required to make such repairs as may from time to time be necessary from the Dispensary funds at their disposal. Mr. Fraser will be requested to report at an early date the decision of the Dispensary Committee.
