Proceedings of the Madras Government, Public Works Department,
20th September 1867.

No. 488. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Cochin, 12th September 1867, No. 103:—

1. I have the honor to solicit the sanction of Government for writing off to Profit and Loss the sum of Rupees 589-8-7, standing in the Accounts of the Coimbatore Range, to debit of Manufacture of Stock, being the losses incurred in working the Noyel Brick-field at Coimbatore, by cost of kilns, &c., and loss of bricks and tiles destroyed by rain.

2. The brick-field was opened some years ago for supply of materials for the Travellers' Bungalow and Post Office at Pothanoor and Taluk Cutcherry at Coimbatore; and under better and more continuous management than has prevailed in Coimbatore Range, I do not think that it would have been worked to such apparent loss. Operations have for some time past been restricted to the brick-field from which the Jail supply is obtained, and having ordered the discontinuation of those in the Noyel brick-field, I am obliged to ask that its accounts may be wound up in this unsatisfactory way.

No. 489. ORDER THEREON, 20th September 1867, No. 2,919.

ACCOUNT, No. 50.

The disadvantageous results which attended the working of the Noyel brick-field having already been noticed in G. O. of the 26th March 1866, No. 985, the Government will not object to the sum of Rupees 589-8-7 referred to in this letter being written off to Profit and Loss.
