No. 274. Read the following Proceedings of the Board of Revenue, dated 3rd September 1867, No. 5,703.

Read the following letter from the Deputy Collector in charge of Salt Department, to the Collector of Ganjam, dated Chicacole, 10th July 1867, No. 97.

With reference to the Treasury Deputy Collector's letter to me, No. 1,857, dated 28th ultimo, and its enclosures, requesting me to send you one statement for all the Police huts, I have the honor to submit a revised estimate, amounting to Rupees 862, for constructing nine thatched sheds, at the four salt pans in the district, for the use of the additional Constables, employed for guarding the manufacture for about five months in the course of a year, and another, amounting to Rupees 3,855, for erecting eighty-five tiled sheds for the Constables permanently employed at the pans, which was first sent to you by the Superintendent of Police with his letter No. 257, dated 11th June last, with a request to refund 675 Rupees he had already advanced for the work. I suppose that it is not quite clear, from the Circular Memorandum* of the Board of Revenue, whether the cost of all buildings at the salt pans should be borne by the Salt Budget provision, or that made only for temporary buildings. As there is, however, no provision for any sheds in the current year's Budget, and as there cannot be a saving of more than a few hundred Rupees from other items, I beg that you will obtain the sanction of Government for the amount of the above referred two estimates, and at the same time ascertain whether the sheds should be built under the supervision of the Police Superintendents or of me. I beg to state that there are no sanctioned funds, out of which any amount may be refunded to the Superintendent of Police as he has requested.

1. With reference to Circular Memorandum of the Board of Revenue, No. 165, dated 21st February 1867, and adverting to my letter, No. 189, dated 4th May 1867, I have the honor to forward, herein enclosed, two statements, one shewing the amount actually advanced by me for huts which are now in course of construction at the Ganjam and Nowpada salt pans, and the other shewing the number of huts required to be built at the several salt pans of the district, together with the cost of the same.

2. I request that the amount advanced by me, namely, Rupees 645 and Rupees 30, required for the completion of huts now under construction at the Ganjam Gully, may be refunded to me at your earliest convenience.
