Proceedings of the Madras Government, Public Works Department,
20*th September* 1867.

Read the following letters :—

No. 510. From the Acting Government Solicitor, Madras, to the Secretary to Government, Department Public Works, dated Madras, 12th September 1867, No. 617.

In continuation of my letter of the 5th instant, No. 601, I have the honor to forward herewith Mr. P. B. Gordon's receipt, as the Attorney for M. A. Apparow Moodelliar, for Rupees 22,970-2-1, which ought to have formed part of the Title Deeds and other papers which accompanied my letter above noted.

No. 511. From the Acting Government Solicitor, Madras, to the Secretary to Government, Department Public Works, dated Madras, 5th September 1867, No. 601.

Dated 5th July 1866, No. 2,118, P. W. D.

1. With reference to the Proceedings of Government noted in the margin, and to subsequent demi-official correspondence on the subject thereof, I have the honor to report, for the information of Government, that the whole of the land comprised within the Elephant Gate bridge road on the north, the General Hospital Bridge Road on the south, the Wall Tax Road on the east, and the new River side Road on th. west, has been taken possession of on behalf of Government under the provisions of Act No. VI of 1857, for the purposes of the proposed new Central Passenger Station of the Madras Railway, and compensation therefor settled on terms which I consider most advantageous to Government.

2. The claims for compensation were numerous, and of multifarious nature; and, with the exception of ten cases, were settled by Colonel J. C. Silver in an amicable manner.

3. The ten cases above alluded to are those in which the claimants were of a litigious character, and these last mentioned cases have been disposed of by Colonel Silver, as the Arbitrator appointed on behalf of Government, by another Arbitrator appointed by, and on behalf of, each claimant, and by a third Arbitrator named by the two Arbitrators in each case.

4. On the investigation of these ten claims, I appeared on behalf of Government; and with the most valuable information from time to time afforded to me by Colonel Silver, I opposed each claim most strenuously, the result being that in nine out of these ten cases, the Arbitrators awarded to the claimants sums much less than those which the Collector of Madras and Colonel Silver, on behalf of the Collector, had respectively previously offered to pay for a private and an amicable settlement.

5. All the claimants have been paid the amounts awarded to them respectively, with the exception of one claimant, who will be entitled to payment on his being clothed with letters of administration to the estate of the late proprietor of the land acquired from him.

6. Two of the claimants have received the amounts awarded to them respectively by the Arbitrators unconditionally, and I have been informed that these two claimants intend to take steps to set aside the awards in their favor; but I do not apprehend that there is any sufficient ground for reversing those awards.

7. I enclose a statement showing the amount that was placed at my disposal by the Collector of Madras for meeting the compensation payable for the land in question, and my disbursements thereout, and exhibiting a balance in my hands of Rupees 60,229-8-10, which I trust may be found correct.

8. I also enclose the Title Deeds and other papers relating to those cases which have been settled by Colonel Silver amicably, and for which I have paid (the Title Deeds connected with the arbitrated cases being held by the Deputy Collector of Madras) to be placed amongst the records of Government.

9. I take this opportunity of observing that the satisfactory manner in which Colonel Silver settled the price of the lands of those claimants, who did not proceed to arbitration, was of great assistance to me in cutting down the exorbitant claims of land-owners who insisted upon going to arbitration. But for the general test of value of the land as settled by him, great difficulty would have been experienced by me in opposing on behalf of Government the claims of the land-owners who urged their claims before the arbitrators.

10. I await the orders of Government as to the disposal of the above-mentioned balance of Rupees 60,229-8-10 now in my hands.
