Proceedings of the Madras Government, Judicial Department, 14th September 1867.

No. 161. Read the following letter from the Magistrate of North Arcot, to the Acting Chief Secretary to Government, Fort Saint George; dated Chittoor, 4th September 1867, No. 67.

I have the honor to forward the accompanying estimates for improving the ventilation of the Coopum Subsidiary Jail and the Police Lock-ups at Venkatagherry and Chittoor, and to state that the alterations therein provided for are indispensably required to render these three prisons fit places of custody for human beings. The work at all three has been put in hand under the general authority conveyed in the Proceedings of Government, dated 27th May 1867, No. 875, and on the results of a personal inspection, but now the Superintending Engineer writes to say that he has no funds from which to meet the expenditure. I beg, therefore, respectfully to solicit instructions of Government in regard to the source from which these and similar emergent charges should be defrayed.

No. 162. ORDER THEREON, 14th September 1867, No. 1490.

Under the circumstances stated in the foregoing letter, the Governor in Council approves and sanctions the outlay of Rupees (305) three hundred and five, proposed to be incurred for improving the Police Lock-up at Venkatagherry, the Police Lock-up and Subsidiary Jail at Chittoor, and the Subsidiary Jail at Coopum.

2. Under the orders of Government, dated the 12th March last, No. 396, paragraph 2, the Governor in Council directs that the cost (Rupees 70) of the Lock-up at Venkatagherry, and a moiety (Rupees 60) of the cost (Rupees 120) of the Lock-up and Subsidiary Jail at Chittoor, be provided for by the Police Department. The remaining moiety, Rupees 60, together with the cost (Rupees 115) of the Subsidiary Jail at Coopum, will be provided for by the Public Works Department.

3. The Magistrate of North Arcot will be informed, in reference to his inquiry as to the source from which similar emergent charges should be defrayed, that all funds for the improvement of Subsidiary Jails will be provided for by the Public Works Department, and for Police Lock-ups by the Police Department.
