Dated 21-9 1865.

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department,
21st September 1867.

No. 540. Read the following Proceedings of the Madras Government in the Revenue Department:—

Intimating that of the estimate of Rupees 6,600, for the construction of a road at the Nowpada Salt Pans in the Ganjam District, Rupees 1,860 will be provided in the revised Salt Budget for the formation of the approaches to the Pans. (Here enter 17th September 1867, No. 2,188.)

No. 541. ORDER THEREON, 21st September 1867, No. 2,943.

CIVIL WORKS, No. 58.

Communicated to the Superintending Engineer of the 1st Division for information and guidance.

(True Extract.)

Proceedings of the Madras Government, Revenue Department,
17th September 1867.

No. 304. Read the following Proceedings of the Board of Revenue, dated 6th September 1867, No. 5,777.

Read the following letter from the Deputy Collector in charge of Salt Department, to the Collector of Ganjam, dated Chicacole, 10th July 1867, No. 99:—

In continuation of my letter, No. 91, dated the 28th ultimo, I have the honor to forward, herewith, another letter addressed to me by the Superintending Engineer, together with its enclosures,* from which you will observe that he intends to transfer to me only the work of approaches to the salt platforms, which amounts to Rupees 1,860. As the Government have, in their Order No. 3,309, of the 8th December 1866, transferred the whole of the roadwork to the Revenue Department, I solicit that you will submit the matter for their orders, and recommend it to be executed, either by the Revenue, or Public Works Department.

* 1 Survey Plan.
1 Estimate.

2

From the Acting Superintending Engineer, 1st Division, to the Salt Deputy Collector, Ganjam, dated Camp at Dowlaishweram, 28th June 1867, No. 87.

1. In continuation of my letter, No. 76, of 12th instant, I have the honor to inform you that the estimate, amounting to Rupees 6,600, for the construction of a road at the Nowpada salt pans provides for the improvement of the Trunk Road No. 6 from A. to B., as marked in the enclosed Survey plan; the estimated cost of this work is Rupees 4,740, which sum will be conveniently spent by the Supervisor of the Chicacole Range.

2. The work to be done by your department is exhibited in the enclosed estimate, the amount of which, namely, Rupees 1,860, will be available for you to spend on the approaches to Nowpada salt pans.

* 1 Survey Plan.
1 Estimate.

ENCLOSURE No. 2.—Plan.

ENCLOSURE No. 3.—Estimate.

No. 2,039.

1. Submitted to the Board, in continuation of Memorandum, dated 10th instant, No. 1,968.

2. This road was included by Government in the list of works to be carried out by the Revenue Department. From the Superintending Engineer's letter, dated the 28th ultimo, it appears that the greater portion of the sanctioned estimate provides for the improvement of a section of the Grand Trunk Road No. 6. It was never intended that the Revenue Department should construct a trunk road. Probably the information now supplied, by the Engineer Department, was not before Government when the Revenue Order of the 8th December last, No. 3,309, was passed by them.

Paragraph 43.

(Signed) D. F. CARMICHAEL,
Collector of Ganjam.

CHETTERPORE,
13*th July* 1867.

To the Secretary to the Board of Revenue.

Proceedings of the Madras Government, Revenue Department,
17th September 1867

1. Submitted to Government, with reference to paragraph 43 of their Order, dated 8th December 1866, No. 3,309.

2. The Collector is informed that, in the list of Salt works for execution in 1867-68 now under revision, a sum of Rupees 1,860 only is entered on account of the approaches to salt platforms at Nowpada. The rest of the amount has been excluded because it appertains to an Imperial line, and the work must be executed by the Public Works Department.

3. The Superintending Engineer's letter, together with the plan and estimate, will be returned to the Collector.

No. 305. ORDER THEREON, 17th September 1867, No. 2,188.

Separate Revenue, No. 15.
Salt.

1. Communicated to the Department Public Works.

2. It is observed that the amount originally included in the Revenue Budget for the current year for "Roads at Nowpada within the Salt station" was Rupees 7,500, but this portion of the Budget Estimate was returned by the Supreme Government for revision, and in the revised statement of Salt works now under preparation only Rupees 1,860 will be provided for this item, as the remaining work contemplated by the original estimate proves to be for the improvement of a section of the Trunk Road No. 6.
