Public works DEPARTMENT.

G.O. No. 2948 Press Mis.

550-551

Dated 23. 9. 1867.

Not to be folded or roughly handled

No. 550. Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 14th September 1867, No. 2,917 :—

1. Agreeably to orders conveyed in Government Order, dated 22nd June 1867, No. 1,864, I have the honor to enclose plans, estimates, and specification, amounting to Rupees 17,390, for erecting a block of six quarters for the Married Military students of the Civil Engineering College, Chepauk.

1 Specification.
4 Plans.

	Rs.
1 *Estimate for six* Married Quarters	15,330
1 Do. Cook-house	1,100
1 Do. Latrine for Males	330
1 Do. do. for Females ...	330
	17,390

2. I have altered the design drawn out by Captain Darrah somewhat, by increasing the depth of foundations, the soil in the neighbourhood of the College being unsound. It agrees otherwise with that chosen for the Artillery Family Quarters at the Mount, and it has met with the approval of the Principal of the College. I have not submitted the plans to the Sanitary Commissioner, as the original designs were submitted to him before they were sanctioned. In the arrangement of the out-offices, a general latrine, separate for males and females, in place of one for each quarter, has been provided in order to save expense.

3. The site of the proposed buildings has been decided on in G. O. of the 27th October 1863, No. 3,126.

No. 551. ORDER THEREON, 23rd September 1867, No. 2,948.

MILITARY WORKS, No. 37.

1. With this letter the Acting Superintending Engineer of the 4th Division submits, in compliance with G. O. of the 22nd June 1867, No. 1,864, plans and estimates of Rs. 17,390 for the erection of a block of six quarters for Married Military Students of the Civil Engineering College at Chepauk.

2. The Government observe that it is proposed to build the quarters at the back of the College between it and the Beach road; but as they recently* objected to the erection of any new buildings in the position indicated, the Superintending Engineer will report on what other site he would recommend the quarters to be constructed. In the meanwhile, the Governor in Council sanctions the estimates of Rupees 17,390 for entry in the Budget of 1868-69.

* 22nd July 1867, No. 2,204.
